Mineta Transportation Institute CTM and CTS Fellowship Award

The Mineta Transportation Institute Scholarship Program provides financial assistance to outstanding graduate students enrolled in the Certificate in Transportation Management Program at San José State University.

The Award

Twice each year, subject to the availability of funding, the Mineta Transportation Institute will award up to twenty grants of \$500 each.

Eligibility

Applicants must be enrolled in the CTM program at SJSU. You must be registered for the current class and have been registered for a class in the previous session. Previous recipients of Mineta Transportation Institute Scholarships are eligible to apply again in subsequent semesters, but are eligible to receive the award no more than two times over the course of their CTM studies.

Selection Criteria

Grants are awarded on the basis of scholastic achievement, leadership, instructor and employer recommendations, and an essay. While financial need and GPA are also factors, preference is given to students who intend to complete the program rapidly.

Essay

On a separate sheet of paper, in 250-500 words, applicants should tell the selection committee why they should be considered for the award. Previous recipients should discuss the role of the CTM program in their careers.

Personal Reference

Applications must include a letter of reference from your direct supervisor, if applicable, or someone else who knows your professional work. Previous recipients who have not changed employment may submit updated versions of prior references.

Instructor Reference

The Mineta Transportation Institute will contact your instructors regarding their references.

Deadlines

Applications must be postmarked by the second week of classes in the Fall B & Spring B Sessions
