

MEET THE AUTHORS

About MTI:

MTI is a University Transportation Center sponsored by the US Department of Transportation, the California Department of Transportation, and public and private grants, including those made available by the Road Repair and Accountability Act of 2017 (SBI). The Institute is part of San José State University's Lucas Graduate School of Business.

At MTI, our mission is to increase mobility for all by improving the safety, efficiency, accessibility, and convenience of our nation's transportation system. Through research, education, workforce development and technology transfer, we help create a connected world.
