

THE GARRETT MORGAN SUSTAINABLE TRANSPORTATION COMPETITION 2023

Middle school students can compete to win up to \$1000 for their school or afterschool program! Sponsored by the US Department of Transportation, the California Department of Transportation (Caltrans), and other industry partners, this program engages students in science, technology, engineering, and math (STEM) through a competition focused on sustainable transportation. Teachers, don't miss this opportunity and reach out today to participate.
