# Beyond the Tracks: High-Speed Rail Station Access and Development

**26** January 2024  
11:00a.m.-12:00p.m. (PT)

Free Webinar  
1 PDH Credit

Registration Link: [tinyurl.com/beyond-the-tracks-HSR](https://tinyurl.com/beyond-the-tracks-HSR)

Join City of San Jose and high-speed rail thought leaders for an insightful discussion of best practices and lessons learned from developing and running high-speed rail stations. Explore the intricacies of planning, designing, and developing mixed-use station areas and multimodal passenger facilities that enable a safe, comfortable, and seamless travel experience.

This webinar is a must for planners, policymakers, transit managers, and others passionate about shaping the future of HSR and station areas. This session offers invaluable insights and strategies about U.S. high-speed rail—don't miss it!

### Agenda Highlights:

- Station Area Development
- First-/Last-Mile Connections
- Transit-Oriented Development Best Practices
- Discussions & Q&A
