Calling all eager middle school students, dedicated parents, and passionate educators! MTI is excited to extend an invitation to change the transportation landscape of our nation. Join us at the Garrett Morgan Sustainable Transportation Competition Information Night! This event is your gateway to an extraordinary national STEAM competition crafted to educate and engage students by solving our nation's critical transportation issues. Learn how you can participate in the competition, and win prizes as we reveal this year's #VisionZero2030 competition prompt. It's time to fuel your passion for transformation and navigate toward a greener, safer future.

Turn your ideas into action and join us on the path of transportation innovation!

Competition Registration Deadline
October 24, 2023 at 11:59p.m. (PT)
