Trailblazer Tuesday

The Mineta Transportation Institute is hosting a series of virtual fireside chats featuring influential women leaders in transportation. These successful women—representing academia, public and private industries, and the nonprofit sector—will share their compelling personal narratives and leadership journeys. Gain valuable insights into their strategies for balancing assertiveness with emotional intelligence, overcoming stereotypes, and leading with intention. Join us to explore the profound impact of reshaping perspectives and championing women's roles within the transportation industry and beyond.
