Calling all eager middle school students, dedicated parents, and passionate educators! MTI is excited to extend an invitation to transform the nation's transportation landscape. Join us at the Garrett Morgan Transportation Competition Information Night! This event is your gateway to an extraordinary national STEAM competition, designed to educate and engage students by addressing our nation's critical transportation issues. Learn how you can participate in the competition and win prizes as we reveal this year's competition prompt for **The Digital Twin Challenge: Building Better Transportation.**

Competition Registration Deadline
November 30, 2026 at 11:59p.m. (PT)
