INSTITUTE

GIRL DAY

THURSDAY, FEBRUARY 15, 2024
SAN JOSE WOMAN'S CLUB

The **American Society of Civil Engineers** invites local middle and high school girls to participate in **Engineers Week 2024**. Engineers Week aims to inspire future generations of engineers and provide opportunities for **K-12 students** to learn about science, technology, engineering, and mathematics (STEM) through professional panels, discussions, and **hands-on engineering activities**.
