

# Fixing Our Broken Transit Planning Process

**31** October 2023  
11:00a.m.-12:00p.m. (PT)

Free Webinar  
1 PDH Credit

Registration Link: <https://tinyurl.com/mti-fixingtransit>

U.S. transit has long grappled with escalating costs and delays: why do we struggle to build transit systems at a pace or a cost comparable to other countries? How can we mend a fractured transit system?

Join transportation experts as they dig into the core issue: Should the focus be on individual projects or on achieving broader outcomes? Find out what approach will bring positive, actionable change to our transportation systems.
