

# GARRETT MORGAN

## SUSTAINABLE TRANSPORTATION COMPETITION

### What is it?

A nationwide competition for middle school students where they can win up to **\$1000** for their classroom and all expenses-paid trip to San Jose, CA for team representatives.

### Who participates?

6-8th graders, teachers, mentors, school volunteers, transportation industry officials from around the country.

### Why participate?

Earn money for your school and engage in **STEM** activities geared towards building a more sustainable future, while also connecting with industry professionals.

### How to participate?

Talk to your teacher/volunteer, form a team, register to participate, meet virtually to brainstorm ideas, talk to transportation professionals, enter your project, and prepare your video presentation!

### When?

Spring 2021 (January - April)
