June 8-26  
9AM - 3PM\*

Monday-Friday  
Grades 9-12

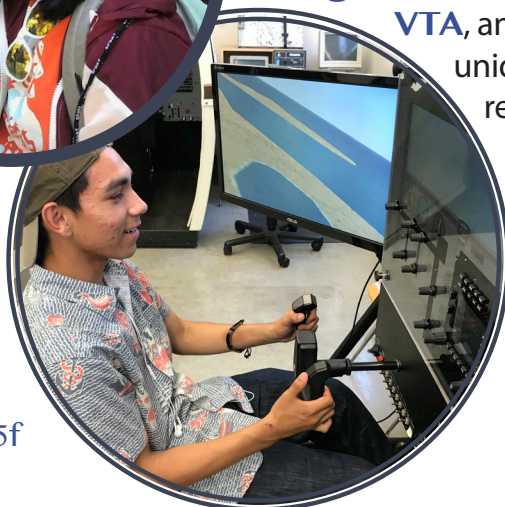

This free program exposes students to careers in transportation and tech while earning three transferable credits in Environmental Studies. Students come away understanding the career opportunities in the transportation industry and are encouraged to pursue degrees that prepare them for transportation careers. MSTI's partnerships with local industry leaders, like **Google, Mineta San Jose International Airport, VTA**, and many others, makes this program a unique and valuable opportunity for those ready to make the most of it!

**SJSU** SAN JOSÉ STATE UNIVERSITY
