July 6-17
9AM - 3PM

Monday-Friday
Grades 6-8

This **FREE** program offers middle-school students the opportunity to learn about the exciting and innovative field of transportation. By exploring different university majors, students learn STEM concepts while also gaining a sneak peak into the agencies that they may one day work at, like **City**

of San Jose, Google, Intel, Mineta San Jose International Airport, Tesla, VTA and others.

SJSU SAN JOSÉ STATE
UNIVERSITY
